To whom it may concern:

I have known Joshua Paul Scallan for nine years as a result of my membership at the Country Club of Louisiana. I found Josh to be both personable and professional as he fulfilled the requirements of each position he held at the country club whether as the golf carts attendant or as a server in the men's grille. I know Josh will be successful in whatever he chooses to do in life. He has a wonderful attitude and work ethic and will be an asset wherever he works. If I may be of further assistance, please do not hesitate to call.

Sincerely,

  
Mike Anderson  
President
