Re: Joshua Paul Scallan

To Whom It May Concern:

Joshua Paul Scallan, a May, 2005 graduate in Agricultural Business at LSU-Baton Rouge, has asked me to write a letter on his behalf.

Josh has worked at the Country Club of Louisiana for nine years. I have observed his growth and development as a good and valuable employee.

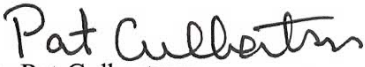

Josh is a "team player" but also has initiative and is a self-starter.

I have always found him to be eager to help any and every member with whatever need they may have at the moment.

He is a bright and cheerful person who really seems to want to be of service. These are traits that carry-over well into almost any work-place situation.

I will miss Josh at the Club but I am certain that he will continue the good work he started almost a decade ago.

Yours truly,

Dr. Pat Culbertson
